Disclaimer Policy

The information provided on this website is provided on an "as is" and "as available" basis. The contents of this site are informatory in nature. You are advised to verify the same from the office of Registrar, Central University of Punjab (CUP). The CUP gives no warranty and accepts no responsibility or liability for the accuracy or the completeness of the information and materials contained in this website.

This website also contains links to other internet sites such as faculty and students personal websites. Such links are provided as an information service for the users of this website. Hence the CUP would not be held responsible or liable for any content or material on such sites.

The CUP does not warrant that Sites will operate in an uninterrupted or error-free or virus free manner. If you see something in a website that needs correction or updation in webpage, please send e-mail to registrar@cup.ac.in

The CUP reserves the right to change the information published on this site at any point of time without prior or further notification.

The information provided on the website cannot be used for legal purpose. Any dispute arising out of the information provided on website has no meaning and is subjected to the jurisdiction of Bathinda.

Privacy Policy

CUP does not automatically capture any specific personal information from you, (like name, phone number or e-mail address), that allow us to identify you individually.

If the CUP requests you to provide personal information, you will be informed for the particular purposes for which the information is gathered. We do not sell or share any personally identifiable information volunteered on the CUP site to any third party (public/private). Any information provided to this Portal will be protected from loss, misuse, unauthorized access or disclosure, alteration, or destruction with best efforts but CUP will not be responsible for such as acts.

We gather certain information about the User, such as Internet Protocol (IP) addresses, domain name, browser type, operating system, the date and time of the visit and the pages visited. We make no attempt to link these addresses with the identity of individuals visiting our site unless an attempt to damage the site has been detected.
